

BLAST Extended School Day Program
Los Penasquitos Elementary School
14125 Cuca St., San Diego, CA 92129

Thank you for your interest in volunteering with us! There are many ways to assist the staff as we care for our students: helping with homework, sharing skills, coaching outdoor recreation, creating art, reading with or to a student. We are open Monday-Friday from 7:00-8:30AM and 3-6PM every day that school is in session (1:25-6:00PM Thursdays). If you have **one hour, one day or one week** . . . there is a place for you! We meet in the Multi-Purpose Room at Los Pen Elementary. Please provide the following information. If you have any questions, please call Ryan at 858.212.5771.
